## Southwest Area Public Workshop 1

You are cordially invited to attend the  
**First Public Workshop**  
for the Southwest Area Plan.

The input you provide at this workshop will form the basis for the  
development of your area plan!

An Area Plan addresses:  
**Land Use and Urban Design policies and guidelines**  
**Development opportunities**  
**Transportation priority issues**

You can also participate by submitting your ideas and comments to the website:
